

# Making food the world loves in... **Pennsylvania**

For nearly 160 years, General Mills has been making food the world loves. And we have been doing so with an unwavering commitment to ensuring the “G” in our logo stands for Good.

That commitment begins with our employees and extends across our value chain, including the farmers and communities where our ingredients are grown and the families who enjoy our food.

In Pennsylvania, General Mills plays an important role in the economy through our support of economic activity and jobs across our supply chain.
